

REMARKS

Reconsideration of the present application is requested.

Regarding the comments made in section no. 1 of the Official action, enclosed is a copy of a post card receipt stamped by the Patent Office on January 15, 2004, indicating that six (6) patent references were filed with an Information Disclosure Statement. Since apparently the copies of the foreign patents have become separated from the file, replacement copies are being supplied herewith.

Claims 12 and 19 have been canceled, thereby obviating the objection raised in section no. 3.

The claims have been amended to obviate the objections raised in section no. 5. Note that language deleted from claim 3 has been reintroduced as new claim 20.

Accordingly, it is submitted that the application is in condition for allowance.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
